Upstate New York Physician Recruiters

As a member of UNYPR, your responsibilities include:

- Financial Obligation: UNYPR membership dues are determined by the costs of the group's annual activities. UNYPR members will review the planned activities and associated anticipated expenses at the beginning of its fiscal year which begins in July. UNYPR Officers will then determine the dues accordingly. All membership categories except Honorary Members are required to pay dues. The dues will be paid in one annual installment in the month of January. Under extreme or unusual circumstances, members may appeal the Officers to split the payment into two equal payments. Membership is on a rolling basis and dues will not be pro-rated for new members joining throughout the year.
- Participation in Fairs, Presentations, and Meetings: It is recognized that each UNYPR member has varying levels of responsibility within their organizations and therefore, varying amounts of time available to participate in UNYPR activities. Each member also has varying budget restrictions which will determine their ability to travel to job fairs, program presentations, and meetings on behalf of UNYPR. It is expected that members will participate in UNYPR activities to some degree. Those that are unable to travel due to time or financial restrictions are expected to assist the group in other activities that do not require travel or financial obligations.
- Professional Appearance and Conduct: UNYPR members are expected to adhere to the organization's Bylaws and Guidelines. When representing UNYPR at job fairs, program presentations, meetings, and other functions, UNYPR representatives will present themselves with professional appearance and conduct at all times.

I hereby acknowledge that the information provided on this application is accurate and that I agree to uphold the responsibilities required of all UNYPR members.
